

Hiking

Walk in and around Arvidsjaur on trails or in the forest. There are walking trails on Vittjåkk mountain and in Reivo reserve.

Abborrträsk Natursafari offers guided walking tours:

Nasaleden

Walking along Nasaleden, an old Sami trail from the 1600s in beautiful nature. Day or half-day tours, also 2-day tours with overnight stay in tents.

Naturupplevelse

Evening excursion to unique area with multiple kettle lakes, Tjärnheden. We will show you an old nature reserve, walk for a while on Nasaleden, climb a view tower and finish the evening with a swim in the small forest lake Myrträsket. Transfer, guide and food by the camp fire included.

Bird watching

Abborrträsk Natursafari takes you on a guided tour through Lamburträsk nature reserve which is a bird watching hot spot. Transfer, guide and coffee.
